Wm MacLeod Esq.

Dear Sir,

I have given directions
that W^m Dana's picture of
"The Breakers" should be forwarded
to your care, in accordance with
your note of Dec^r 15th. It is to leave
New York tomorrow, & I enclose
herewith the paper of rules, which
I have signed. May I ask the favor
of you to send a copy of Rules to
W^m Dana, for which I enclose an
addressed envelope. In reply
to your enquiries, the picture was
printed, if my memory serves me,
in 1880, as I think it was in the
Salon of that Spring. If I am wrong,
it was in the Universal Expⁿ of '78.

I had not time to write to ask
Mr. Dana, but perhaps the
picture is dated.

The subject is the Corbiere Rocks,
on the Coast of Jersey, Channel
Islands. Mr. Dana passed some
months in those isles, painting
from nature, & this scene is one
of the boldest & most picturesque.

As you say that you have not
known Mr. Dana's works, it
may not be amiss for me to
mention that they have usually
had centre places in the Paris
Salon. and his picture "Solitude"
(the Sea without any accessories)
was medalled at the Exⁿ of 1878.
It was purchased at the time for
Comte Palffy's Paris gallery.

The price of The Breakers is \$2000
(Two thousand Dollars) - and
I trust you may be successful in
disposing of it. Hoping to hear
from you of the safe arrival of
the painting, and that you have
been able to give it an advanta-
geous position in the Gallery.

I remain

Very truly yours

Anna B. Dana

Dear Sir,

I find that a former
insurance will not suffice
for Mr. Dana's picture of the
"Breakers", which was to be
forwarded to you yesterday.
I will therefore ask you to
kindly have the picture
insured, unless the in-
surance on the Cornman
Gallery secures the article
from loss. If it must

be measured apart. I believe
it is usually based on
 $\frac{2}{3}$ the value, so that
I would have it for
\$1500 - I am
